

HowTheLightGetsIn Hay 2019

We are welcoming the very brightest, boldest and most innovative high-end traders, particularly those specialising in the unusual, the interesting and the extraordinary. If what you do or sell is genuinely special then we want to hear from you.

About the Festival

HowTheLightGetsIn is now in its 10th year and is the world's largest philosophy and music festival. Set on the edge of the Black Mountains alongside the Wye in the famed book town of Hay, HowTheLightGetsIn has a magical location. There is no other place on the planet where you can meet as many of the world's leading thinkers and dance until your feet ache.

HowTheLightGetsIn is not about status or celebrity. We are about ideas and wonder and creating a space where everyone's imagination can flourish.

Our Guests

Over the festival weekend we expect to see approx. 25,000 guests at the festival.

Our guests are predominantly ABC1s and range from 21-60 in age. They appreciate quality and are not afraid to pay for it.

We get a slightly older footfall during the day and a younger audience after 8pm.
